

Government College Ibadan CRICKET COUNCIL

“Partnership Proposal”

For:

THE JIDE BADEMOSI CRICKET OVAL

Honouring Excellence · Building Nigeria's Cricketing Future

“Every GCI Old Boy carries Ibadan in him: in the way he carries himself, in the standards he holds, in the things he refuses to compromise.”

GCI Never Left Us

Before careers in Medicine, Law and Finance were built in continents and boardrooms across the world, there was Government College, Ibadan.

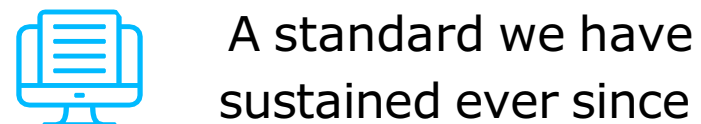

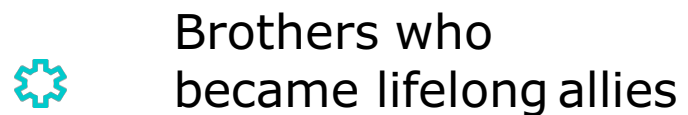

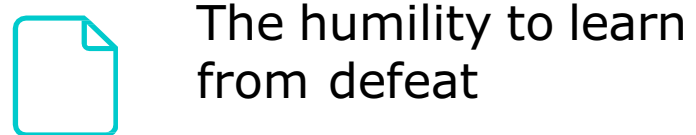

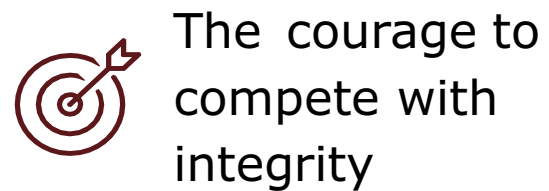

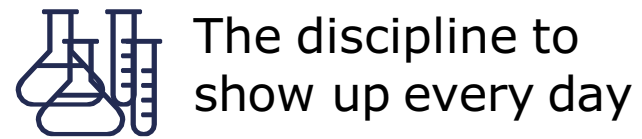

No GCI Old Boy story is complete without recalling the Master who did not accept mediocrity, the teammates who pushed harder than anyone in his career and stood for something great and unique:

A school like GCI, with its illustrious history and ethos, is a development crucible. “It is the place where a teenager decides what they will stand for, who they will stand with, and how they will lead when the moment demands”.

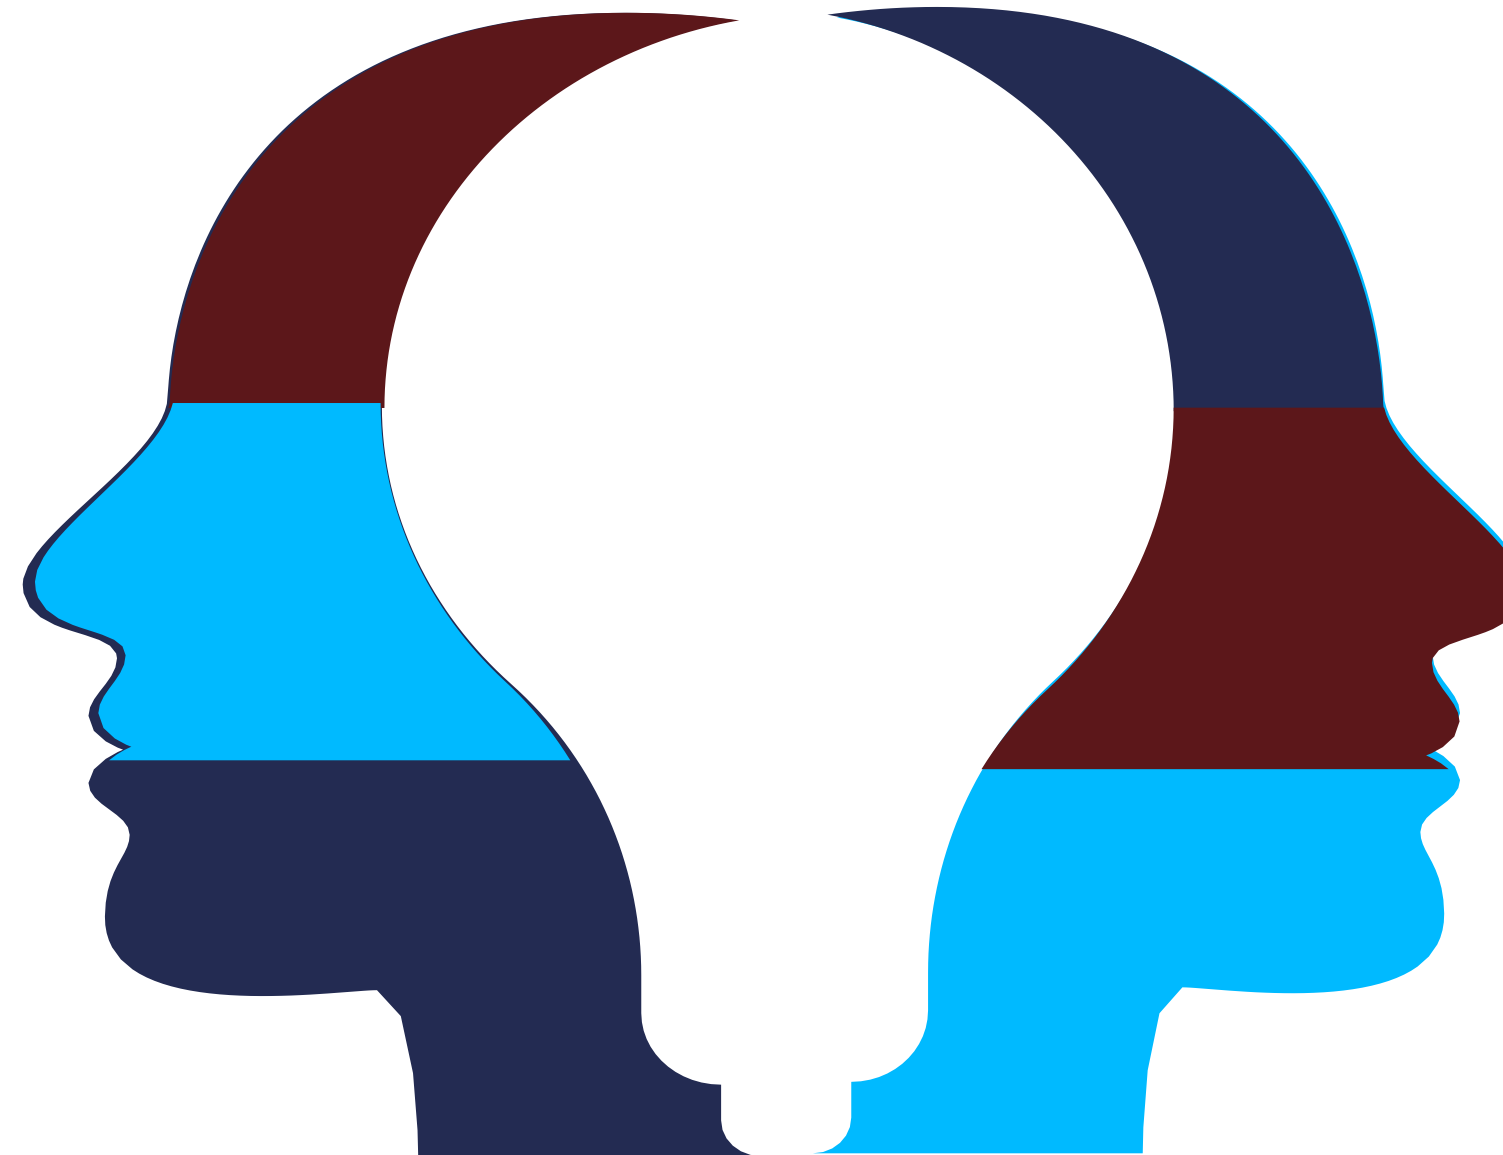

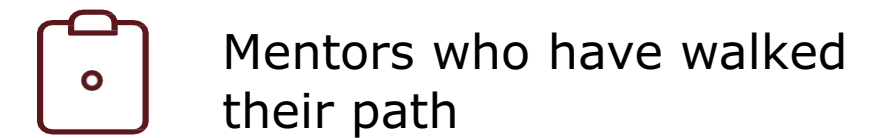

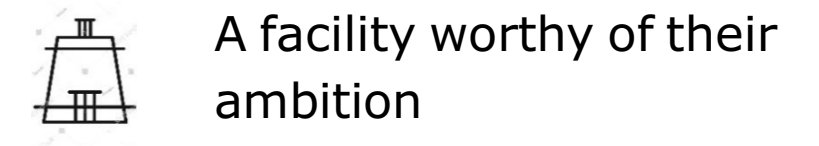

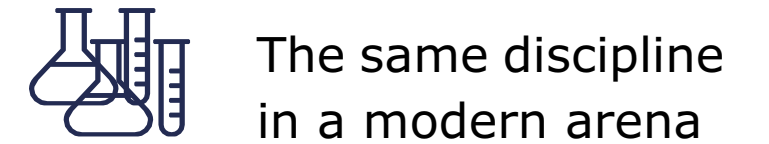

The Jide Bademosi Cricket Oval is an investment in development, not just a place to play cricket. It is an extension of the classroom, where character is developed. **We invite you to partner with us, as we build the infrastructure where the next generation of Nigerian leaders will be molded.**

Passing the Baton

Why You Should Partner

THE JIDE BADEMOSI CRICKET OVAL

The most valuable things your brand can be associated with are impossible to buy — but possible to build.

The Brand Opportunity

Nigeria has the fastest-growing cricketing fanbase in Africa. Sustained investment in Youth cricket means that Nigerian cricket is on an upward trajectory, and the Oval is positioned to host domestic, inter-state, and international Associate matches.

Corporate Social Responsibility has evolved. Stakeholders, regulators, and talent market no longer reward declarations of intent, they reward demonstrated, measurable, place-specific impact. The Jide Bademosi Cricket Oval provides exactly that.

The Oval is a named, permanent, ICC-standard facility in Ibadan, Nigeria: one of West Africa's most significant economic and cultural centers. This is a landmark opportunity to contribute to youth development and growth of Cricket as a sport in Nigeria.
